

Pamela Voss-Page, MAT, SLS Executive Director, Research and Development

*Pam Voss-Page and
SLS President, Brad Simmons,
Ford Motor Company*

Pamela Voss-Page has served Student Leadership Services, Inc. (SLS) youth-led health and safety programs since 1984. Pam was a founding member of the SLS Board of Directors; first SLS Coordinator/Trainer; Associate Director; and in 10 years developed the program to scale in 612 high schools representing all Michigan school districts. In 1994, Pam became the Executive Director and Michigan led the nation in effective youth-led health and safety programming. SLS increased program effectiveness with annual evaluation and validation studies leading to national recognition and replication.

Pam is advisor, teacher, mentor, and program developer with integrity, dedication and vision. SLS students make positive life choices, integrating leadership and life skills under Pam's leadership.
